Permanent GAP Closure through Oases of Literacy

Dear Parents/Guardians,

The National Association of Supplemental Educational Service Providers (NASESP) with select members is contacting the parents/guardians of K through 12 students whom may qualify and benefit from FUN, FOOD and FREE tutoring/mentoring by college students and graduates, during the 2009/2010 school years. Most tutoring is at the schools. Available activity buses can be used.

The tutoring is provided Free, under ***No Child Left Behind***, to students on Free and Reduced Lunch. *A free/reduced lunch application must be completed by parents each year and turned in to nutrition services in order for school districts to determine student eligibility. Parents choose dates, times and locations; after school, Saturdays, school breaks through summer 2010. Parents select up to 25 total hours that is best for your student(s). We help with reading (which can include science and Biology) and math. Some transportation help may be provided upon request. Check with your provider.

Please fill-out and return the enclosed form immediately. We will contact you in October/November as soon as the district approves the list for tutoring.

FAX TO: (206) 299-3311 Tel. (206) 368-4284 **OR MAIL TO:**
1122 East Pike Street #1413 · Seattle, WA 98122-3934

Yours in Education Services to Children and Families,
William D. Jackson
William Jackson, President
